Subject: Proposed Amendments Nos. 108 and 156 to the 2011-2014 STIP in the Nashville TIP
Attachments: MPO TIP Package.pdf

Dear Ms. Stein and Mr. Davis:

Attached for your review and concurrence are two amendments to Tennessee's Statewide Transportation Improvement Program (STIP) for fiscal years 2011 - 2014.

STIP Amendment No. 108:

TIP # 2012-44-201 is a new project. FY 2013 NHS funding for Construction has been provided. The 2035 RTP amendment for this project will be sent to you by Ms. Midgett.

STIP Amendment No. 156:

TIP # 2012-87-192 is an amended project. FY 2013 IM funding for Construction has been increased. The Nashville Area MPO has provided all necessary documentation for these amendments, including public participation measures, to show that federal guidelines were followed. The summary sheets demonstrate that the programs are financially constrained. The STIP amendments contain all modified pages reflecting changes made to NHS and IM projects in the Nashville TIP.

Based on a review of the attached material, we believe that the MPO has followed appropriate procedures and met all necessary requirements to justify the incorporation of these amendments into the Tennessee Transportation Improvement Program of fiscal years 2011 - 2014. If you have any questions, please contact me.

Sincerely,

Bob Hayzlett
