PROPOSAL NARRATIVE – Airport Road Relocation	
<p>Section 1. Project Description, Purpose, Need, and Objectives</p>	<p>The purpose of the project is to relocate and widen to 3 lanes of a portion of Airport Road and all associated costs to allow for runway and hangar expansion at the Sumner County Regional Airport. This is a continuation of an existing project in the TIP</p>
<p>Section 2. Benefits to Region and Local Community</p>	<p>The proposed roadway project is a continuation of an existing TIP project that is consistent with the City of Gallatin’s <i>Gallatin on the Move 2020 – General Development and Transportation Plan</i> and the Nashville MPO’s Regional Transportation Plan guiding principles to enhance livability, prosperity, sustainability and diversity. The project provides the necessary safety zones required to enable the expansion of the Sumner County Regional Airport. The local community and region will benefit from the economic development and transportation improvements impacts from this project. Additional information about the project benefits were originally outlined in the HPP and SIA funding applications.</p>
<p>Section 3. Project Deliverables, Schedule, & Milestones</p>	<p><u>Major Tasks</u> Major tasks include the completion of PE/construction documents, acquisition of ROW and the construction of the project.</p> <p><u>Project Schedule</u></p> <ul style="list-style-type: none"> • Preliminary Engineering – Almost complete • Begin Construction – anticipated to begin in late summer 2013 • Complete Construction in 1 year <p><u>Project Management</u> The project will follow TDOT construction procedures and will include Construction Engineering Inspections (CEI) as part of project contract. TDOT is responsible for the management of project. The City of Gallatin will continue to work closely with TDOT throughout the remainder of the project to help ensure that it will be completed efficiently and in a timely manner.</p> <p>The City of Gallatin has an excellent track record of working closely with TDOT and successfully completing projects on time and within budget. Examples of Gallatin’s recent successful project management efforts include the Downtown Streetscape Project and the four (4) American, Recovery and Reinvestment Act Projects - Town Creek Greenway – Phase 1, Downtown Streetscape – Phase 2, Big Station Camp Boulevard, S Water Avenue Resurfacing.</p>
<p>Section 4. Budget Narrative</p>	<p>The attached project budget reflects the carryover of existing HPP and SIA funds as shown in the current TIP. No additional funds are requested.</p>
